The Times Paris correspondent says that, as yet, no preparations are making for the Congress to be held at Paris this winter, to consist of the two representatives who assisted at the Congress last spring; but there appears no doubt that such a meeting will be held to setle with the least delay possible the questions arising out of the treaty of Paris. There is a report that King

Sebastopol, if we may credit the assertions of some of the German journals, is likely to become a more magnificent city than that which it cost the allies so much to destroy. A number of foreign workmen are engaged to carry out designs which, it is said, have been approved by the Emperor Alexander. The Russians are actively engaged in fortifying the Bug, as well as Nicolaeff. One may be allowed to ask if any British diplomatic authority is to be sent to the Black Sea to watch how the Russians observe the articles of the trea-

Dr. E. S. Cooper's Eye and Ear Infirmary.

Dr. Cooper was introduced to our acquaintance lew months ago, by letters from eminent men in the States of Ohio and Illinois, as a gentleman of high reputation and established surgical skill since his arrival he has opened an Eye, Ear and Orthopædic Infirmary in this city, where the patients can have comfortable rooms and the benefit of his skillful attention. The following complimentary notice of his departure from his home in Illinois, we find in the Peoria (Ill.) News:
